## Trustee NEWS and UPDATES

### A Message from Ex. Director Alison Lauer

**Hello February!** January has set the tone for a successful year to come. We remain thankful and amazed with the creativity, intuitiveness and quick response our clubs and Divisions have within their communities. A critical part of that response has been shown by the Foundation funding opportunities and our fantastic Trustees and Ex. Committee aiding the application process. Thank you all for your hard work! We have approved 34 mini grants thus far in this administrative year and we are thrilled to be receiving photos of the check presentations and projects. Thank you all for your continued service!

Florida Kiwanis Foundation Fiftieth Anniversary  
Today's Future - Tomorrow's Children

**LET'S  
CELEBRATE!!**

**We are incredibly excited to be celebrating our 50<sup>th</sup> year anniversary!**

This month we are launching our Ralph Davis video on social media platforms. Our goal is to test to see if educational videos will be a good tool for marketing and development going forward. This will be our initial test. In addition, we have contacted 10 past Foundation presidents for quotes, pictures, stories, along with a video clip of their proudest moments with the Foundation. Clubs statewide have been sending in stories and photos from past awarded grants for the two videos we are creating.
