

## Foundation TRUSTEE News APRIL 2024

**From the Desk of President Arlene Lewis-Marr**

*Celebrating our continued achievement*

Wow, how time has flown by and we are now into our 6<sup>th</sup> month of the Kiwanis Year. Our Kiwanis clubs are doing fantastic with submitting their annual Gifts to the Foundation and with their Sustaining Membership efforts! It is our Trustees who play a crucial role in ensuring the success of these programs by encouraging participation and securing commitments from members.

Here are a few strategies to help encourage even more members to commit to the giving program and acquiring their Ralph Davis pins:

*Personalized Outreach* can help convey the importance of the program and the impact of their contributions; *Highlighting Impact* by sharing your success stories and showing how the funds raised have made a difference in your communities; *Recognition* – publicly acknowledging their support during meetings, newsletters and social media; and, *Leading by Example!*

The Odds Are In Your Favor!

We are excited for our upcoming Friends of the Foundation chance drawing! For those of you not familiar with our quarterly chance drawing through our Friends of the Foundation, let us tell you about it. This annual membership program originally launched in 2017. The purpose of this program is to support the overall Foundation. For example, our Wil and Rachel Blechman Fund provides grants to early childhood initiatives statewide AND every single donated penny goes towards the grants. Our Friends of the Foundation program assists the cost to administer this critical program and others, which your Florida Kiwanis Foundation provides for children.

With an annual gift of \$120, you can continue to aid our Foundation and our many programs. All Friends of the Foundation members receive a pin and members are eligible for exclusive chance drawings and special events.

Will you support your Florida Kiwanis Foundation and be our friend?
